### Covid-19 Procedures

Parklanes Wykeham Childcare are working closely with current Government Guidelines and local authority policies and procedures regarding childcare services we provide. At present parents will not be allowed within the school. A member of staff will meet & greet you and your child/ren & sign in/out your child within the setting. Please use the outside garden area for access and collection. **Wearing of face masks when coming onto the grounds of the setting or speaking to our staff is mandatory.**

We understand that this is a challenging time for all of us and very much appreciate the payments that are still coming through. We are a family business and prompt payment is very helpful with cashflow during this period. Can parents please be aware to give us enough notice if, or when you are returning for our services. Spaces can not be guaranteed, on return, and will not be kept open! **Could Parents/Carers please keep to Social Distancing Rules**

If you have any questions please **email info@childcarepwc.co.uk** or **contact Andy/Bev.**
