Dear Parents,

Here at Parklanes Wykeham Childcare we fully understand how difficult it must be for you and your family during these troubling times.

Our Settings will remain **OPEN** throughout the lockdown, providing you with our usual high standard childcare services in a Covid-safe environment.

We would like to assure you that in regard to your child's wellbeing and safety we are taking all necessary precautions in line with Governmental and Local Authority guidelines.

This includes:

- Regular disinfecting and steam cleaning of surfaces and equipment.
- Regular handwashing and sanitising.
- Mandatory wearing of facemasks / social distancing around and outside of the Settings, to protect you, your child and the Staff.

Our dedicated Staff have completed Covid awareness and prevention training and all returned to work from the Christmas break after providing a negative Covid-19 test result and they will continue to have regular tests.

We would also like to reassure you that we will continue to support you and your family throughout the current situation.

Please do not hesitate to contact us if you have any questions, queries or concerns, using the details provided at the top of this page.
